Regret

Regret for not telling others I care.

Regret for others not telling me they care.

Regret for not spending enough time with friends.

Regret for not trying to express my feelings.

Regret for not expressing my feelings properly.

Regret for not marrying whom I truly love,

Regret for being married.

Regret for not being who I am,

Regret for not being who I wanted to be.

Regret for working too much,

Regret for not working enough.

Regret for not heeding advice,

Regret for not giving advice to others.

Regret for letting others make my decisions,

Regret for not making my own decisions.

Regret for not taking risks.

Regret for taking risks.
